

Invitation

Memorial Hans Gutmann Tourist Rally Flight 2020

Dear aeronautical friends,

Our organizational team is planning the 9th edition of Memorial Hans Gutmann Tourist Rally Flight, an international general aviation event.

We get in touch with you to motivate and invite all Aeronautical Federations of General Aviation, IAOPA chapters, aeroclubs and all flying friends to either participate (even partly) or help us with national and local advises on our expected route for this big international organization.

We are seeking your advice on airfields with nice clubs and people, customs and passport control specifics, fuel (AVGAS), local get together parties (BBQ), tourism and sightseeing activities, tips on hotels etc. along our proposed route.

Proposed dates are from 19th till 29th June 2020. The provisional route for Memorial Hans Gutmann Tourist Rally Flight 2020 will be:

- Starting point: your home base
- Gathering point: Andorra (LESU)
- Portugal: Santa Cruz (LPSC)
- Gibraltar (LXGB)
- Morocco: Casablanca (GMNN) and Fes (GMFF)
- Spain: Melilla (GEML) and Castellon (LECH)
- Finishing point: France, Cannes (LFMD)
- Afterparty: Bosnia and Herzegovina, Bihac (LQBI)

(the specific airports are subject to change)

Total distance: ca. 2400NM. The rally is classified as Category 2 by the FAI-GAC (General Aviation Commission) and is equal to European championship.

Should you have any idea or proposal to help us, or if you are interested in getting more information in order to participate in the rally, please contact us at info@hansgutmannrally.eu or jean.birgen@hansgutmannrally.eu

Have a nice day and thank you in advance for your help and interest.
